1. Attached for your approval is the final draft of NIE 56-82: The Philippines Under Marcos -- His Prospective Legacy and US Interests. The draft has the concurrence of the NFIB representatives and is ready to go to the Principals.

2. The Director has specifically asked that this paper be published as quickly as possible in order for it to have a maximum impact before President Marcos's visit. For that reason we are seeking telephonic approval by Friday, 13 August, by NFIB rather than tabling it at a regular NFIB meeting.
